Join the Course to College Corps!

Iowa College Aid is looking for motivated and passionate individuals to serve in the College Access and Success AmeriCorps Program. AmeriCorps members will be part of Iowa College Aid's Course to College Corps, supporting Iowa College Aid, Muscatine Community School District and other community organizations to expand college-access programming. Corps members will work directly with high school seniors as they navigate the steps of the college-going process and enroll in education beyond high school.

Beginning their term in the October, 2017, AmeriCorps members will:

- Provide one-on-one and group assistance to students as they complete the steps required to enroll and succeed in college.
- Organize and assist with college-access events.
- Track students' progress towards education beyond high school.
- Develop standard volunteer management practices for program sustainability.
